Cleaning Checklist

General Household, commercial disinfectant products, or bleach solution work to kill COVID-19 (follow manufacturer's instructions for disinfection)

Prior to mixing any cleaners, disinfectants, or vinegar, clubs should always check with appropriate professionals whether the two items are safe to mix. Bleach should not be mixed with ammonia, vinegar, or any other cleaning product. Only use Bleach in a well-ventilated area. Always wash hands with soap and water after handling cleaners. Do not eat, smoke, or drink while working with cleaning/disinfectant products.

Clean off all surfaces prior to disinfecting;

- All equipment surfaces
- Door handles
- Light switches
- Bathroom doors
- Bathroom faucets
- Toilets
- All exercise equipment including, exercise mats, medicine-balls, and yoga-balls.
- All reels, fencing machines, weapons, and masks.
